Category: Services

Status: Corrigendum

Published: 22 July 2026

Last date for submission: 05 September 2026

Pre-bid / clarification: Held on 12 Aug 2026; replies issued as Corrigendum-1

EMD: INR 75,000

Indicative value: INR 68 lakh (indicative, 24-month engagement)

Place of work: Cloud-hosted; training delivery from iCEM Campus

Document: Annexure / Functional Requirements

Purpose of this notice

A single platform for courses, case libraries, and technology briefs - so mining professionals can learn, and iCEM can publish what has been proved in the field.

Scope

- LMS with blended and self-paced pathways, certificates, and faculty tools.
- Searchable knowledge repository for blogs, briefs, and project files.
- Role-based access for industry, academia, and government cohorts.
- Handover, source code escrow, and 12-month hypercare after go-live.

Eligibility

- CMMI / ISO-certified software firm with at least two education or knowledge-platform deployments.
- In-house UX, backend, and instructional-design capability (or named sub-contractor).
- Data residency in India and compliance with CERT-In directions.

Submission

Online + hard copy as per RFP. Corrigendum-1 extends the last date and clarifies hosting, data residency, and evaluation scores. Bidders must submit on the revised formats.

Instructions to bidders

- Download this pack from the iCEM website and cite the reference number on all correspondence.
- Queries must be sent to procurement@icem.in at least seven calendar days before the last date.
- iCEM may issue corrigenda on this page; bidders are responsible for checking before submission.
- Bids that do not follow the two-cover / format instructions in the parent notice will be rejected.
- This document is issued by the International Center of Excellence in Mining (iCEM), an initiative of GMDC Ltd.
