Purpose of this notice

Analytical instruments so iCEM can baseline water, soil, and air around mine-linked programmes - and teach operators how to read their own numbers.

Scope

- Spectrophotometer, multi-parameter field kits, and gravimetric apparatus as per Annexure-A.
- Installation, IQ/OQ, calibration certificates, and two operator training batches.
- AMC quote for years 2 and 3 (evaluated separately, not part of bid rank).

Eligibility

- Authorised dealer or OEM of the offered make, with service presence in Gujarat.
- Supply of similar lab packages to at least two academic or industrial labs in the last five years.
- All equipment must carry BIS / NABL-traceable calibration where applicable.

Submission

Item-wise compliance sheet with make/model. Part bids for a subset of packages are not permitted.
